VOLUNTEER SPOTLIGHT: NANCY THRELFALL THRELFALL MARKETING GROUP

Meet Nancy Threlfall... what's that, you already have? Of course you have! Nancy is the chair of our SPW Event Ambassadors sub-committee and is likely to be the first smiling face you see at each SPW event. As part of her role as chair, Nancy singlehandedly organized our troop of volunteers to greet and mingle at every SPW event this year! Their goal is to make each SPW attendee feel welcome, establish networking connections and understand the benefits of Chamber membership.

Besides coordinating SPW volunteers, Nancy is the President and Founder of Threlfall Marketing Group. She and her team successfully act as "your virtual marketing department" and can handle projects of any size. In fact, Nancy's team created the template for our SPW flyers last year, which continue to work like a charm!

The next time you see Nancy at the doors of our SPW events, please join us in showing our appreciation for her endless support!
